CT Nuisance Wildlife Control Operator Training Class

Re: Municipal Employee Only-No Contractor attendee

As the Department Head, Chief Elected Official or Town Manager, I request that the following individual(s) attend the CTNWCOA Operator Training Class as their position requires them to do wildlife control work along with other duties. I understand that reference material strongly suggested for use in studying for the required State exam is not included but can be purchased for \$150.00 prior to the course with registration or at the class with payment via a town check.
